Super Power Agency is a registered Charity, SC046550

The Super Power Agency (SPA) is a nonprofit organisation dedicated to supporting under-resourced students ages 8 to 18, using a range of writing workshops, interdisciplinary creative programmes and a corps of community volunteers. The "Super Power Agency" and "we" as used herein will collectively refer to the Super Power Agency. This form is an agreement between you, the Author ("Author") and the Super Power Agency.

Publishing Permission: This form grants the Super Power Agency the right (but not the obligation) to edit and publish the Author's work (including writing, audio recordings, and any other products) in any manner in any type of publication or materials affiliated with the Super Power Agency, now existing or which may be created in the future. This is a non-exclusive agreement, meaning that the author can also publish their work in publications unaffiliated with the Super Power Agency, as well. Publication by another person or entity shall not have any effect on the Super Power Agency's rights under this agreement. The Author warrants to the Super Power Agency that they are the work's sole author and they have full power to make this agreement. The Author warrants to the Super Power Agency that to the extent the Author's material contains any accounts of non-fictional individuals or events, that the information is substantially true, does not defame or slander or place in a false light any individual or group, and does not disclose private or personal facts regarding any third party without that third party's written consent. The Super Power Agency also asks students to refrain from writing inappropriate language and about incidents that may hurt, degrade, or endanger others, and the Author agrees to advise the Super Power Agency if the work is not in compliance with this request. We do retain the right to paraphrase or re-word passages during the editing process. Each student whose work is published will receive a free copy of the book in which their work is included.

I grant permission to the Super Power Agency as stated above: Yes _____ No _____

Film, Photography, and Audio Permission: During Super Power Agency programming, the Super Power Agency may document the work of the student authors through photography, film, video, audio or other recording technique. Students agree that these images and recordings may thereafter appear in Super Power Agency publications, reports, film productions, websites, or social or online media platforms. This documentation is intended to display the hard work of the students and the type and effectiveness of the programming the Super Power Agency offers. No material will be used for commercial purposes but rather will be used for furthering the Super Power Agency's goals of supporting and serving under-resourced students. Consent to such use, including any waiver of any right to publicity or privacy, is given.

I grant permission to the Super Power Agency as stated above: Yes _____ No _____

Media Permission: While students are engaged in programming at the Super Power Agency, they may appear in photographs, video, or audio footage that the Super Power Agency may wish to use in promotional materials (which may include the Super Power Agency fact books, websites, or social or online media platforms) on the radio, television, in press articles, or other media about the Super Power Agency, including partnerships and promotions benefiting the Super Power Agency. The Author understands that the Super Power Agency may wish to consent to the publishing of excerpts of the Author's work in newspapers, magazines, online media or other publications in order to promote a publication and/or the nonprofit work of the Super Power Agency. These materials help provide the public with information about programmes at the Super Power Agency and allow students the opportunity to have their work shared with a broader audience. The Author hereby consents to such use, including to the extent any waiver of any right to publicity or privacy is necessary.

I grant permission to the Super Power Agency as stated above: Yes _____ No _____

Please note that although participation in the Super Power Agency's programmes is voluntary, once this agreement is signed, it cannot be withdrawn and remains in effect even after the student/Author is no longer participating in any Super Power Agency programming. By signing below, you acknowledge that you accept each of the terms and conditions you agree to above of this Informed Consent and License Agreement, and agree to waive any and all claims for monetary compensation from the Super Power Agency, acknowledging that the Super Power Agency is a nonprofit serving under-resourced students.
